

MONSTER PULSE

2: PHANTOM LIMBS
MAGNOLIA PORTER

I still see you

in my dreams

and between the trees.

(but you're not there.)

Love hurts so much.

But to feel

this way

I wouldn't live any other life.

Computer troubles :)

My laptop is dead.
Worst case scenario is I
lose all the data from the
past year. I'm going to take
it in to try and recover
the data, tomorrow. Sorry,
no updates until I can get
this fixed.

WISH ME LUCK! :C

Computer problems
SOLVED!!

All my Monster Elise files
are safe!

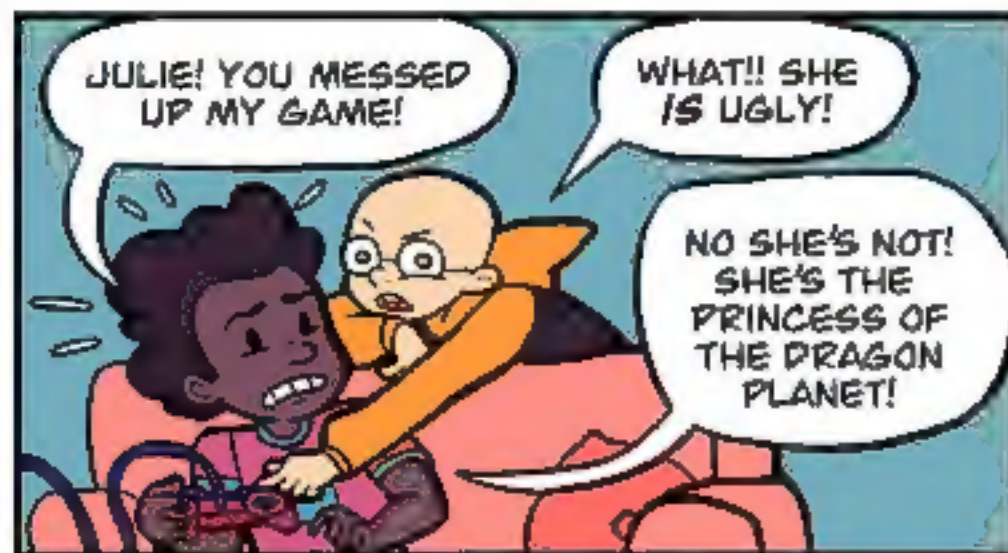

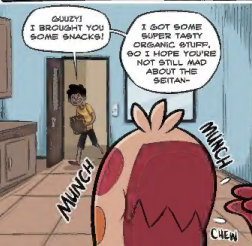

I still need to set up
my laptop and reinstall
things, so real updates
will come on

Come back on
Monday for some
fun sketches, though!
